5.3	The bid security of the successful Bidder shall be returned as promptly as possible once the successful Bidder has signed the Contract and furnished the required performance security.
5.4	The bid security of unsuccessful Bidders shall be returned as promptly as possible upon the successful Bidder's furnishing of the performance security.
5.5	The bid security may be forfeited: <ul style="list-style-type: none"> a) If a Bidder withdraws its bid during the period of bid validity specified by the Bidder. b) if the successful Bidder fails to: <ul style="list-style-type: none"> (i) sign the Contract with in the specified period.
5.6	The Bid Security of a JV shall be in the name of the JV that submits the bid. If the JV has not been legally constituted at the time of bidding, the Bid Security shall be in the names of all future partners as named in the letter of intent.
5.7	If a bid securing declaration is not executed in accordance with the above, AEGCL will declare the Bidder ineligible to be awarded a contract by the AEGCL for the period of time stated in the Form of Bid Securing Declaration.
6.0	Format and Signing of Bid:
6.1	The Bidder shall prepare one original of the Technical Bid and one original of the Price Bid comprising the Bid and clearly mark it —ORIGINAL - TECHNICAL BID and —ORIGINAL - PRICE BID. In addition, the Bidder shall submit three copies of the bid, in the number specified and clearly mark each of them —COPY. In the event of any discrepancy between the original and the copies, the original shall prevail.
6.2	The original and all copies of the Bid shall be typed or written in indelible ink and shall be signed by a person duly authorized to sign on behalf of the Bidder. This authorization shall consist of a written confirmation as specified in the Bid Document and shall be attached to the bid. The name and position held by each person signing the authorization must be typed or printed below the signature. All pages of the bid where entries or amendments have been made shall be signed or initialed by the person signing the bid.
6.3	A bid submitted by a JV shall be signed so as to be legally binding on all partners.
6.4	Any interlineations, erasures, or overwriting shall be valid only if they are signed or initialed by the person signing the bid.
7.0	Submission and Opening of Bids:
7.1	Submission, Sealing and Marking of Bids:
7.1.1	Bidders may submit their bids by mail or by hand. When so specified in the Bid Document, bidders shall have the option of submitting their bids electronically. Procedures for submission, sealing and marking are as follows: Bidders submitting bids by mail or by hand shall enclose the original and each copy of the Bid, including alternative bids, if permitted in accordance with above, in separate sealed envelopes, duly marking the envelopes as —ORIGINAL and —COPY. These envelopes containing the original and the copies shall then be enclosed in one single envelope.

7.1.2	The inner and outer envelopes shall: (a) bear the name and address of the Bidder; (b) be addressed to the Bidding Authority. (c) bear the specific identification of this bidding process indicated in the Bid Document
7.1.3	The outer envelopes and the inner envelopes containing the Technical Bid shall bear a warning not to open before the time and date for the opening of Technical Bid.
7.1.4	The inner envelopes containing the Price Bid shall bear a warning not to open until advised by the AEGCL.
7.1.5	If all envelopes are not sealed and marked as required, the Employer will assume no responsibility for the misplacement or premature opening of the bid.
7.2	AEGCL may, at its discretion, extend the deadline for the submission of bids by amending the Bidding Document, in which case all rights and obligations of the AEGCL and Bidders previously subject to the deadline shall thereafter be subject to the deadline as extended.
8.0	Eligible Bidders:
8.1	A Bidder may be a private entity or a government-owned entity or any combination of such entities with the intent to enter into an agreement supported by a letter of intent or under an existing agreement in the form of a joint venture, consortium, or association (JV). In the case of a JV: a) all partners shall be jointly and severally liable, and b) the JV shall nominate a Representative who shall have the authority to conduct all business for and on behalf of any and all the partners of the JV during the bidding process and, in the event the JV is awarded the Contract, during contract execution.
8.2	A Bidder, and all partners constituting the Bidder, shall have Indian nationality. A Bidder shall be deemed to have the nationality of a country if the Bidder is a national or is constituted, incorporated, or registered and operates in conformity with the provisions of the laws of Republic of India. This criterion shall also apply to the determination of the nationality of proposed subcontractors or suppliers for any part of the Contract including related services.
8.3	AEGCL considers a conflict of interest to be a situation in which a party has interests that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations, and that such conflict of interest may contribute to or constitute a prohibited practice under Anticorruption Policy of Government of India and Government Of Assam. In pursuance Anticorruption Policy's requirement that Employer as well as bidders, suppliers, and contractors observe the highest standard of ethics. AEGCL will take appropriate actions if it determines that a conflict of interest has flawed the integrity of any procurement process. Consequently all Bidders found to have a conflict of interest shall be disqualified. A Bidder may be considered to be in a conflict of interest with one or more parties in this bidding process if, including but not limited to: (a). they have controlling partners in common; or (b). they receive or have received any direct or indirect subsidy from any of them; or (c). they have the same legal representative for purposes of this bid; or (d). they have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of another Bidder, or influence the decisions of the Employer regarding this bidding process; or (e). a Bidder participates in more than one bid in this bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all Bids in which it is involved. However, this does not limit the inclusion of the same subcontractor, not otherwise participating

	<p>as a Bidder, in more than one bid; or</p> <p>(f). a Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the plant and services that are the subject of the bid.</p>
8.4	A firm that is under a declaration of ineligibility by the AEGCL or any Government Entity or PSU at the date of the deadline for bid submission or thereafter i.e. on or before contract signing date shall be disqualified.
8.5	Bidders shall provide such evidence of their continued eligibility satisfactory to the AEGCL, as the Employer shall reasonably request.
8.6	In case a prequalification process has been conducted prior to the bidding process, this bidding is open only to prequalified Bidders.
9.0	Financial Capability:
9.1	Bidder will require to submit along with the bid the audited balance sheets, IT Return and other legal financial statements acceptable to AEGCL, for the recent year to demonstrate the current soundness of the Bidders financial position and its prospective long term profitability. As a minimum, an Applicant's net worth calculated as the difference between total assets and total liabilities should be positive.
9.2	Average Annual Turnover: Minimum average annual turnover INR 3,96,000.00 calculated as total certified payments received for contracts in progress or completed, within the last Year.
9.3	Financial Resources: Bidder need to demonstrate access to, or availability of, financial resources such as liquid assets, unencumbered real assets, lines of credit, and other financial means, other than any contractual advance payments to meet: <p>(1) the following cash-flow requirement, INR 3,96,000.00 and</p> <p>(2) the overall cash flow requirements for this contract and its current works commitment.</p>
10.0	Experience:
10.1	Experience on similar nature of works under contracts in the role of manufacturers, contractor, subcontractor, or management contractor for at least the last 5(Five) years prior to the bid submission deadline.
10.2	The Bidder should be a supplier or authorized distributor in government agencies/PSU/Electrical utilities. Documentary Evidence of Experience is to be provided in works of a similar nature (as defined in the scope of this bid) in the last five years. The Contractor/Firm should produce work experience/completion certificate from officer not below the rank of Executive Engineer strictly in the name of the Contractor/Firm of similar supply work relevant to the tendered work, done within last 5 years and should be either of the following: <p>(a) Three (3) similar completed works costing not less than Rs. 5,28,000.00.</p> <p>(b) Two (2) similar completed works costing not less than Rs. 6,60,000.00</p> <p>(c) One (1) similar completed works costing not less than Rs. 10,56,000.00</p>
10.3	The Bidder must have experience of executing work of similar nature previously. The bidder must submit experience and completion certificate for scrutiny by AEGCL. Each of such project/ works should consist of completion certificate as per Clause 9.1.
11.0	Evaluation Criteria:
11.1	Evaluation will be done on the basis of <i>Bid Clause</i> No. 8.0 , Eligible Bidders, Cl. No. 9.0 , Financial Capability, Cl. No. 10.0 , Experience and in accordance with the Annexure I to be duly filled in, signed and submitted by the bidder.
11.2	Price Bid of only Responsive and qualified Techno-Commercial Bidders will be opened.
11.3	Arithmetical Error , if observed while in Price Bid evaluation, same will only be corrected.
11.4	Any post bid correction request will NOT BE ENTERTAINED.
11.5	Price Bid Envelope of the Non-responsive Techno Commercial Bidders will be

	returned to the respective bidders against submission of a written request by the bidder.
11.6	<p>The following methodology will be practiced for identification and treatment of the Abnormally Low Bids (ALB) in this tender process of AEGCL:</p> <p>(i) Absolute Approach is to be considered when there are fewer than five substantially responsive bidders and if the bid price is 20% or more below AEGCL's cost estimate then AEGCL's tender evaluation committee should clarify the Bid price with the bidder to determine whether the Bid is Abnormally low.</p> <p>(ii) Relative approach is to be considered when there are at least 5(five) nos. of substantially responsive bids and the lowest bid price is 20% or more below AEGCL's cost estimate. In this approach, first the Average bid price is determined and then by deducting the standard deviation from the Average bid price, potentially ALB may be determined.</p> <p>(iii) In case of an ALB, the tender evaluation committee/appropriate authority of the respective tenders shall undertake the following three stage review process which is as below:</p> <ul style="list-style-type: none"> • To identify ALB as per the steps mentioned in SI no. 10.6.(i) and 10.6.(ii), whichever is applicable. • To seek and analyze the clarifications from the abnormally low Bidder in terms of resource inputs and pricing, including overheads, contingencies and profit margins. In that respect, the committee may refer to guideline of World Bank, AIIB, ADB etc. prescribed for ALB. • To decide whether to accept or reject the bid. • On acceptance of the bid, whether Additional Performance Security is to be imposed on the bidder supplemented by adequate justification. <p>(iv) In case of acceptance of ALB with Additional Performance Security:</p> <ul style="list-style-type: none"> • If any abnormally low bid is accepted with additional performance security, it is to be noted that the total performance security should not exceed 20% of the total contract value. • The additional performance security shall be treated as part of the original performance security and shall be valid for a period similar to that applicable for defect liability period of the contract. • Non submission of the additional performance security shall constitute sufficient ground for rejection of the bid and similar assessment shall then be initiated for next ranked bidder if that bidder is also identified as ALB.
12.0	Late Bid:
12.1	Any bid submitted <i>after the due date and time</i> will be rejected without any prejudice.
12.2	AEGCL will not be responsible for any Postal and/or Courier Delay in delivering the bid. The same received after the scheduled closing date and time will be rejected without any prejudice.
12.3	Bidding through EMAIL WILL NOT BE ACCEPTED.
13.0	Clarification:
13.1	A prospective Bidder requiring any clarification of the Bidding Document shall contact the AEGCL in writing at the AEGCL's address indicated in the BDS or raise his enquiries prior to 7 (seven) days of closing of the bid. The Employer will respond to any request for clarification, provided that such request is received no later than seven (7) days prior to the deadline for submission of bids. The AEGCL's response shall be in writing with copies to all Bidders who have acquired the Bidding Document including a description of the inquiry but without identifying its source. Should AEGCL deem it necessary to amend the Bidding Document as a result of a request for clarification, it shall do so.
13.2	The Bidder is advised to visit and examine the site where the work is to be

	Carried out and its surroundings and obtain for itself on its own responsibility all information that may be necessary for preparing the bid and entering into a contract for the provision of plant and services. The costs of visiting the site shall be at the Bidder's own expense.
13.3	The Bidder and any of its personnel or agents will be granted permission by the Employer to enter upon its premises and lands for the purpose of such visit, but only upon the express condition that the Bidder, its personnel, and agents will release and indemnify the Employer and its personnel and agents from and against all liability in respect thereof, and will be responsible for death or personal injury, loss of or damage to property, and any other loss, damage, costs, and expenses incurred as a result of the inspection.
13.4	The Bidder's designated representative is invited to attend a pre-bid meeting, if provided for in the BDS. The purpose of the meeting will be to clarify issues and to answer questions on any matter that may be raised at that stage.
13.5	The Bidder is requested, as far as possible, to submit any questions in writing, to reach the AEGCL not later than one week before the pre-bid meeting if there is provision of Pre Bid Meeting.
13.6	Minutes of the pre-bid meeting, including the text of the questions raised, without identifying the source, and the responses given, together with any responses prepared after the meeting, will be transmitted promptly to all Bidders who have acquired the Bidding. Any modification to the Bidding Document that may become necessary as a result of the pre-bid meeting shall be made by AEGCL exclusively through the issue of an Addendum but not through the minutes of the pre-bid meeting.
13.7	Non-attendance at the pre-bid meeting will not be a cause for disqualification of a Bidder.
14.0	Amendment of Bidding Document:
14.1	At any time prior to the deadline for submission of bids, the Employer may amend the Bidding Document by issuing addenda.
14.2	Any addendum issued shall be part of the Bidding Document and shall be communicated in writing to all who have obtained the Bidding Document from AEGCL.
14.3	To give prospective Bidders reasonable time in which to take an addendum into account in preparing their bids, AEGCL may, at its discretion, extend the deadline for the submission of bids.
15.0	Preparation of Bids by the Bidders:
15.1	Cost of bidding: The Bidder shall bear all costs associated with the preparation and submission of its Bid, and AEGCL shall not be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.
15.2	Language of Bid: The Bid, as well as all correspondence and documents relating to the bid exchanged by the Bidder and AEGCL, shall be written in the English language.
15.3	Bid Prices and Discounts:
15.3.1	Unless otherwise specified in the Bid Document and/or AEGCL's Requirements, bidders shall quote for the entire plant and services on a —single responsibility basis such that the total bid price covers all the Contractor's obligations mentioned in or to be reasonably inferred from the bidding document in respect of the including procurement and subcontracting (if any), delivery, construction, installation and completion of the Work. This includes all requirements under the Contractor's responsibilities for completing the work and where so required by the bidding document, the acquisition of all permits, approvals and licenses, etc.; the operation, maintenance and training services and such other items and services as may be specified in the Bidding Document, all in accordance with the requirements of the General Conditions. Items against which no price is entered by the Bidder will not be paid for by the Employer when executed and shall be deemed to be covered by the prices for other items.

15.3.2	Bidders are required to quote the price for the commercial, contractual and technical obligations outlined in the bidding document. If a Bidder wishes to make a deviation, such deviation shall be listed. The Bidder shall also provide the additional price if any, for withdrawal of the deviation.
15.3.3	Bidders shall give a breakdown of the prices in the manner and detail called for in the Price Schedules. Where no different Price Schedules are included in the Bidding Document, bidders shall present their prices in the following manner: (a) Separate numbered Schedules shall be used for each of the following elements. (b) The total amount from each Schedule shall be summarized in a Grand Summary giving the total bid price(s) to be considered.
15.3.4	The price of the work shall be quoted as the Base Price or EXW Price
15.3.5	Sales Tax, GST and all other taxes (as applicable) payable on the work should be indicated separately. In case of failure to indicate so AEGCL will consider such taxes are included in the Offered Price.
15.3.6	When the work being “work contract” which is one and individual and which involves no separate contract for the sale of materials, the contractor shall have not be entitled to get any VAT and or any other taxes, levies reimbursed from the AEGCL for the supply of the materials.
15.3.7	Taxes like work contract, income tax etc. which need to be deducted at source as per the prevailing law of the land, will be deducted at source.
15.3.8	The Prices shall be FIXED and FIRM: The Bided Price should on Fixed Price basis, prices quoted by the Bidder shall be fixed during the Bidder’s performance of the contract and not subject to variation on any account. A bid submitted with an adjustable price quotation will be treated as non-responsive and rejected.
16.0	Additional Requirements:
16.1	Bidders(s) knowledge from actual personal investigation of the resources of the region or District (S) in which he/they offers the work.
16.2	The Bidder shall furnish copy of their PAN Card. The card must be in the name of firm, in case the bidder is a partnership Firm.
16.3	In case the bidder is a partnership Firm, the work experience, solvency and turnover shall be in the name of partnership Firm only.
16.4	Average Annual turnover for last three financial year
16.5	GST registration No.
16.6	Registered Power of attorney, if any.
16.7	I T Return for last three financial year
16.8	Audited Balance Sheet and Profit and Loss Account for last three financial year
16.9	GTP of the equipment to be supplied
17.0	Negotiation with successful bidder:
17.1	The AEGCL reserve the right to hold negotiations with lowest who should be lowest, valid, eligible and technically acceptable bidder considered for award of contract directly if the rates were not unreasonably high.
18.0	TECHNICAL REQUIREMENTS
18.1	Intent of specification
	This section of the specification deals with the technical information & criteria for “Procurement of hardware fittings and clamps for ILM Subdivision under 220kV Samaguri GSS, AEGCL”. The Contractor's proposal shall be based on the use of materials complying fully with the requirements specified herein.
19.0	Scope of Work
19.1	The scope of work under this contract consists of : a) Supply of hardware fittings and clamps for ILM Subdivision under 220kV Samaguri GSS, AEGCL b) Loading, transportation and delivery at the substation site.

	<p>c) Freight and transit insurance of all materials at site shall be In the scope of the contractor.</p> <p>d) Arrangements of any permits required for transportation and movement of supplied materials. However, AEGCL shall assist as far as practicable in the process.</p> <p>The works to be executed shall be as per the items mentioned in the BOQ and as per the directions of the site engineer.</p>
20.0	Supplier to inform himself fully
20.1	The Contractor should ensure that he has examined the General Conditions, qualifying criteria, Specifications and Schedules and has satisfied himself as to all the conditions and circumstances affecting the contract price and fixed his price according to his own views on these matters and acknowledge that no additional allowances except as otherwise provided therein will be levied.
20.2	AEGCL shall not be responsible for any misunderstanding or incorrect information obtained by the Contractor other than information given to the Contractor in writing by AEGCL.
21.0	Conformity with Indian Electricity rules & other local regulations wherever applicable:
21.1	The Contractor shall note that all substation works shall comply with the latest provisions of Indian Electricity Rules and with any other regulations. Local authorities concerned in the administration of the rules and regulation relating to such works shall be consulted, if necessary, in regard to the rules and regulations that may be applicable.
21.2	The materials covered by this specification shall, unless otherwise stated be designed, constructed and tested in accordance with the latest revisions of relevant Indian Standards and shall conform to the regulations of local statutory authorities.
21.3	The Contractor shall also comply with the Minimum Wages Act 1948 and the payment of Wages Act (both. Of the Government of India and State of Assam) and the rules made there under in respect of any employee or workman employed or engaged by him or his Sub-Contractor.
21.4	All registration and statutory inspection fees, if any, in respect of his work pursuant to this Contract shall be to the account of the Contractor. However, any registration, statutory inspection fees lawfully payable under the provisions of the statutory laws and its amendments from time to time during erection in respect of the Substation Works, ultimately to be owned by the Employer, shall be to the account of the Employer. Should any such inspection or registration need to be re-arranged due to the fault of the Contractor or his Sub-Contractor, the additional fees to such inspection and/or registration shall be borne by the Contractor.
21.5	In case of any conflict between the standards and this specification, this specification shall govern.
22.0	Employer Supervision
22.1	The scope of the duties of the Employer, pursuant to the contract, will include but not be limited to the following. <ul style="list-style-type: none"> a) Inspect, accept or reject any material and work under the Contract. b) Issue certificate of acceptance and/or progressive payment and final payment certificate.
23.0	Packing:
23.1	All the materials shall be suitably protected, coated, covered or boxed and crated to prevent damage or deterioration during transit, handling and storage at Site till the time of erection. The Supplier shall be responsible for any loss or damage during transportation, handling and storage due to improper packing.
23.2	The Supplier shall include and provide for securely protecting and packing the materials so as to avoid loss or damage during transport by air, sea, rail and road.
23.3	All packing shall allow for easy removal and checking at site. Wherever necessary,

	proper arrangement for attaching slings for lifting shall be provided. All packages shall be clearly marked for with signs showing 'up' and 'down' on the sides of boxes, and handling and unpacking instructions as considered necessary. Special precaution shall be taken to prevent rusting of steel and iron parts during transit by sea.
23.4	The cases containing easily damageable material shall be very carefully packed and marked with appropriate caution symbols, i.e. fragile, handle with care, use no hook etc. wherever applicable.
23.5	Each package shall be legibly marked by the-Supplier at his expenses showing the details such as description and quantity of contents, the name of the consignee and address, the gross and net weights of the package, the name of the Supplier etc.
24.0	Materials handling and storage:
24.1	<p>(a) All the supplies under the Contract as well as Employer supplied items (if any) arriving at site shall be promptly received, unloaded and transported and stored in the stores by the Contractor.</p> <p>(b) Contractor shall be responsible for examining all the shipment and notify the Employer immediately of any damage, shortage, discrepancy etc. for the purpose of Employer's information only. The Contractor shall submit to the Employer every week a report detailing all the receipts during the week. However, the Contractor shall be solely responsible for any shortages or damages in transit, handling and/or in storage and erection at site. Any demurrage, and other such charges claimed by the transporters, railways etc., shall be to the account of the Contractor.</p> <p>(c) The Contractor shall maintain an accurate and exhaustive record-detailing out the list of all items received by him for the purpose of erection and keep such record open for the inspection of the Employer.</p> <p>(d) All items shall be handled very carefully to prevent any damage or loss. The materials stored shall be properly protected to prevent damage.</p> <p>(e) All the materials stored in the open or dusty location must be covered with suitable weatherproof and flameproof covering material wherever applicable.</p> <p>(f) The Employer will verify the storage facilities arranged by the contractor and dispatch clearance will be provided only after Employer is satisfied.</p>
25.0	DAMAGE TO PERSON AND PROPERTY: -
25.1	The Contractor shall be responsible for all injury to the work or to workmen, to persons, animals or things and for all damages to the structural and/or decorative part of property which may arise from the operations or neglect of contractor or its employees, against whether such injury or damage arise from carelessness, accident or any other cause whatsoever in any way connected with the carrying out of this Contract. The Contractor shall at his cost effect the insurance necessary and indemnify AEGCL entirely from all responsibility in this respect. The scope of insurance is to include loss or damage to the work and workmen due to carelessness, accident including fire, earthquake, floods, all medical expenses, compensation to be borne in the event of accident etc., damage or loss to the Contract itself till this is made over a complete state. Insurance is compulsory and must be affected from the very initial stage and should cover the entire contract period till handing over of complete works. The Contractor shall also be responsible for anything which may be excluded from damage to any property arising out of incidents, negligence or defective carrying out of this Contract. AEGCL shall be at liberty and is hereby empowered to deduct the amount of any damages, compensations, costs, charges and expenses arising or occurring from or in respect of any such claim for damages from any sums due or to become due to the Contractor.
26.0	LABOUR LEGISLATION: -
26.1	The Bidder shall comply with the provisions of the Apprentices Act 1961, payment of Wages Act 1936, Minimum Wages Act 1948, Employees Liability Act 1938, Workmen's Compensation Act 1923, Industrial Disputes Act 1947, Maternity Benefits Act 1961, and the Contract Labour (Regulation and Abolition) Act 1970, Provident

	<p>Fund Act or the modifications thereof or any other laws relating thereto and the rules made there under from time to time. b) The Bidder shall indemnify and keep indemnified AEGCL against payments to be made under and for the observance of the laws aforesaid and the Contractors' Labour Regulations without prejudice to his right to claim. The laws aforesaid shall be deemed to be a part of this contract and any breach thereof shall be deemed to be a breach of this contract. c) The Bidder shall at his own expense arrange for all the safety provisions for the safety of all workers and employees directly or indirectly employed on the work by the Bidder. d) The Bidder shall be fully responsible at his own expenses for compliance all the labour regulations and rules to be observed by them. The Bidder shall fully indemnify AEGCL against any action by the state and/or Central Government for any default or alleged default by the Bidder for violation of any of such rules and regulations. If, due to any default of the Bidder, AEGCL has to incur any expenditure for compliance of the rules and regulations or for any other reason connected with such default, AEGCL shall be entitled to recover from the Bidder all such expenditure in full from any payment due to the Bidder.</p>																		
27.0	TECHNICAL SPECIFICATIONS:																		
27.1	<p>A brief description of scope of work covered under this bidding document is furnished below: Procurement of hardware fittings and clamps for ILM Subdivision under 220kV Samaguri GSS, AEGCL</p> <ul style="list-style-type: none"> • Design, manufacture, testing and supply of transmission line hardware fittings including tension fittings, suspension fittings, repair sleeves, mid-span joints and UPG clamps for ACSR Zebra, Deer and Panther conductors. • Design, engineering, manufacture, testing, supply and delivery of: • Tension hardware fittings (single & double) • Suspension hardware fittings • Repair sleeves • Mid-span compression joints • UPG clamps <p>for 132kV & 220kV transmission lines with ACSR conductors (Zebra, Deer, Panther).</p>																		
27.2	<p>Service Conditions: The materials supplied shall be suitable for operation under the following climatic and other conditions:</p> <table border="1"> <tr> <td>Peak ambient day temperature in stil lair</td> <td>45°C</td> </tr> <tr> <td>Minimum night temperatures</td> <td>0°C</td> </tr> <tr> <td>Reference ambient day temperature</td> <td>45°C</td> </tr> <tr> <td>Relative Humidity</td> <td></td> </tr> <tr> <td> a) Maximum</td> <td>100 %</td> </tr> <tr> <td> b) Minimum</td> <td>10%</td> </tr> <tr> <td>Altitude</td> <td>Below 1000M above MSL</td> </tr> <tr> <td>Maximum wind pressure</td> <td>As per IS: 802 latest code</td> </tr> <tr> <td>Seismic Intensity</td> <td>ZONE-V as per IS 1893</td> </tr> </table>	Peak ambient day temperature in stil lair	45°C	Minimum night temperatures	0°C	Reference ambient day temperature	45°C	Relative Humidity		a) Maximum	100 %	b) Minimum	10%	Altitude	Below 1000M above MSL	Maximum wind pressure	As per IS: 802 latest code	Seismic Intensity	ZONE-V as per IS 1893
Peak ambient day temperature in stil lair	45°C																		
Minimum night temperatures	0°C																		
Reference ambient day temperature	45°C																		
Relative Humidity																			
a) Maximum	100 %																		
b) Minimum	10%																		
Altitude	Below 1000M above MSL																		
Maximum wind pressure	As per IS: 802 latest code																		
Seismic Intensity	ZONE-V as per IS 1893																		
27.3	Marking: All material shall be clearly marked with the necessary particulars.																		
27.4	<p>Applicable Standards Equipment shall conform to latest editions of: IS 2486 – Insulator fittings IS 2121 – Conductors IS 2633 – Hot dip galvanization IEC 61284 – Overhead line fittings</p>																		

	IEC 60120 / 60471 (where applicable) IS 2486, IS 2121, IS 2633, IEC 61284 and other relevant standards.
27.6	Technical Requirements All fittings shall be forged steel/malleable iron with minimum FoS 2.5 and hot dip galvanized coating.
27.7	Galvanization Minimum coating 610 g/m ² as per IS standards
28.0	Quality Assurance Documents:- The contractor shall be required to submit all the quality assurance documents as stipulated in the quality plan at the time of Purchaser's inspection of equipment/material. The Purchaser or his duly authorized representatives reserves the right to carry out quality audit and quality surveillance of the systems and procedures of the contractors/his vendors quality management and control activities.
29.0	PACKING AND FORWARDING: The equipment shall be packed in crates suitable for vertical / horizontal transport, as the case may be and suitable to withstand handling during transport and outdoor storage during transit. The supplier shall be responsible for any damage to the equipment during transit, due to improper and inadequate packing. The easily damageable material shall be carefully packed and marked with the appropriate caution symbols. Wherever necessary, proper arrangement for lifting shall be provided. Any material found short inside the packing cases shall be supplied by supplier without any extra cost. Each consignment shall be accompanied by a detailed packing list containing the following information: <ul style="list-style-type: none"> (a) Name of the consignee. (b) Details of consignment. (c) Destination. (d) Total weight of consignment. (e) Handling and unpacking instructions. (f) Bill of material indicating contents of each package. The supplier shall ensure that the bill of material is approved by the purchaser before dispatch.
30.0	Employer's Supervision:- <p>a) To eliminate delays and avoid disputes and litigation it is agreed between the parties to the Contract that all matters and questions shall be resolved in accordance with the provisions of this document.</p> <p>b) The manufacturing of the product shall be carried out in accordance with the specifications. The scope of the duties of the Employer, pursuant to the contract, will include but not be limited to the following.</p> <ul style="list-style-type: none"> • Interpretation of all the terms and conditions of these Documents and Specifications. • Inspect, accept or reject any equipment, material and work under the Contract, in accordance with the Specifications. • Issue certificate of acceptance and/or progressive payment and final payment certificate. • Review and suggest modification and improvement in completion schedules from time to time, • Supervise the Quality Assurance Program implementation at all stages of the works.
30.1	Inspection and Inspection Certificate:-

30.2	The Employer, his duly authorized representative and/or outside inspection agency acting on behalf of the Employer shall have, at all reasonable times, access to the premises and works of the Contractor and their sub-contractor(s)/sub-vendors and shall have the right, at the reasonable times, to inspect and examine the materials and workmanship of the product during its manufacture.
30.3	All routine and acceptance tests whether at the premises or works of the Contractor or of any Sub Contractor, the Contractor except where otherwise specified shall carry out such tests free of charge. Items such as labours, materials, electricity, fuel, water, stores apparatus and instruments as may be reasonably demanded by the Employer/inspector or his authorized representative to carry out effectively such tests in accordance with the Contract shall be provided by the Contractor free of charge.
30.4	If desired by the Employer, the Contractor shall also carry out type tests as per applicable Standards for which Employer shall bear the expenses except in cases where such tests have to be carried out. The Contractor is required to quote unit rates of type test charges in a separate Schedule (if such schedule is provided in the Bidding Document). However, these type test charges shall not be taken into account in comparing Price Bid.
30.5	The inspection by Employer and issue of Inspection Certificate thereon shall in no way limit the liabilities and responsibilities of the Contractor in respect of the agreed Quality Assurance Programme forming a part of the Contract.
31.0	Guaranteed Technical Particulars:-
31.1	The Guaranteed Technical Particulars of the various items shall be furnished by the Bidders with the Technical Bid in the prescribed Schedules attached in this bidding document. The Bidder shall also furnish any other information's as in their opinion is needed to give full description and details to judge the item(s) offered by them.
31.2	The data furnished in Guaranteed Technical Particulars should be the minimum or maximum value (as per the requirement of the specification) required. A Bidder may guarantee a value more stringent than the specification requirement. However, for testing purpose or from performance point of view, the material shall be considered performed successfully if it achieves the minimum/maximum value required as per the technical specification. No preference whatsoever shall be given to the bidder offering better/more stringent values than those required as per specification except where stated otherwise.
32.0	TIME SCHEDULE Time to complete Works from the Date of issue of the supply order specified is 45 (Forty Five) days. No reward will be given for earlier completion.
33.0	Site Visit: The interested bidders are advised to visit the site and examine the site of works and its surroundings and obtain for itself on its own responsibility all information that may be necessary for preparing the bid. The costs of visiting the Site shall be at the bidder's own expense.
34.0	QUERY ON THE BIDDING DOCUMENT: Prospective bidders may submit queries, if felt necessary, requesting clarification of any bid clause. Such queries must be submitted to the office latest by the Tender clarification/ submission end date and time mentioned in the NIT. Purchaser shall clarify to the extent felt necessary or issue a corrigendum for any amendment required in the bidding document. Such corrigendum/clarification shall be made available on the official website of AEGCL, www.aegcl.co.in .

35.0	Supervising Authority: The work shall be carried out under supervision of the Consignee AGM, 220kV Samaguri GSS, AEGCL and an officer deputed by him as site in charge.
36.0	Wherever there is any variation in between the conditions of the AEGCL's General Conditions of Supply and Erection 2009 and the bid terms & conditions, this bid conditions will supersede the conditions of the AEGCL's General Conditions of Supply and Erection 2009.
37.0	Liquidated Damage:
37.1	The date of completion of work shall be deemed to be the essence of the contract and shall not be completed no later than the date specified in the contract. In case of failure to complete the work within the stipulated period AEGCL shall be entitled to: <ul style="list-style-type: none"> i. Recover an amount at the rate of 1% (One percent) of the Contract Price per week or part thereof of delay, subject to maximum of 10% (Ten percent) of the contract price as liquidated damage to AEGCL. However, the payment of liquidated damages shall not in any way relieve the Contractor from any of its obligations to complete the works or from any other obligations and liabilities of the Contractor under the Contract. ii. To complete the balance work giving notice to the Contractor/Firm and to recover any extra expenditure incurred thereby for having to complete the work at a higher price at the risk and responsibility of the Contractor/Firm.
37.2	Contractual failure:- Refer clause No.27.1 of AEGCL's General Conditions of supply and erection 2009.
38.0	Insurance:
38.1	The bidder shall arrange for any pay/cost of personnel accident insurance, medical treatment etc. in respect of their employees assigned to the works for all time and shall govern by Law of land.
39.0	Warranty:
39.1	The Supplier/Manufacturer warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.
39.2	The Supplier/Manufacturer further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in the country of final destination.
40.0	Payment terms:
40.1	No advance/Mobilization advance shall be made in this contract.
40.2	Payment will be made by DGM, Tezpur (T&T) Circle, AEGCL, Kunderbari, Depota. The Bidder / Firm will have to be submitted the following Net Banking details. <ul style="list-style-type: none"> (a) Banker's Name & Branch (b) Account No (c) Banker's address (d) Banker's IFSC Code (e) Banker's RTGS Code
41.0	Performance security deposit:
41.1	The successful bidder shall have to deposit through a Bank Guarantee/Demand Draft from a Nationalized or scheduled Bank of RBI in AEGCL's standard proforma on non-judicial stamp of appropriate value for an amount equivalent to 10% (ten percent) of the total value of the order as performance security, immediately within 10 (ten) days from the issue of the letter of intent/detailed orders (as the case may be), duly pledged in favour of AEGCL, Bijulee Bhawan, Paltanbazar, Guwahati-1 , and such security deposit shall be valid up to 30 days beyond the warranty period of 18 (Eighteen) months. The Bank Guarantee (BG) should be submitted to the O/O the

	Deputy General Manager, Tezpur T&T Circle, AEGCL, Tezpur-784154 by the issuing Bank under registered post AD.
41.2	Please note that, if the selected Bidder / Firm fails to furnish the requisite performance security as stated above and signs the contract within the stipulated period, 10 percent security money will be deducted from the total Bill value.
41.3	If the bidder / firm fails or neglects to observe and perform any of his obligations under the contract, Purchaser (AEGCL) shall have the right to forfeit either in full or in part at his absolute discretion, the security deposit furnished by the Contractor/Firm.
41.4	No interest shall be payable on such deposits.
42.0	Retention Money:
42.1	In addition to above performance security deposit, retention money @ 20% of the total value of the order will be retained by the Engineer/Purchaser as per Bid Clause33.The amount will be held by the Purchaser (AEGCL) till the work under the contract is completed and the completion certificate is issued.
42.2	If the Firm/Bidder fails or neglects to observe and perform any of his obligations under the contract, the Purchaser (AEGCL) shall have the right to forfeit either in full or in part at his absolute discretion, the security deposit furnished by the supplier/contractor.
42.3	No interest shall be payable on such deposit.
43.0	Force Majeure Condition:
	Force Majeure condition shall be considered as any circumstances beyond reasonable control of the party claiming relief, including but not limited to strikes, lockout, civil commotion, riot insurrection, hostilities, mobilization, war, fire, flood, earthquake, malicious damage or accidents could entitle contractor to extension time. Any such delay should intimated within 10 (ten) days from the beginning of such delay to consider/approved, any claim without prior information may not be considered under force Majeure.
44.0	Pollution and environment Each and every measure should be taken to adhere to the standard norms to avert any occasion of Air pollution, water pollution, Soil pollution and Sound pollution. In case of any deviation leading to any legal action the contractor will be solely responsible without any prejudice.
45.0	Right to Reject:
	AEGCL reserves the right to reject any or all the bids without assigning any reason thereof and the AEGCL further reserves the right to split up the work order in favour of more than one Contractor. The AEGCL also reserves the right to reject the lowest or any other price without assigning any reason.
The clauses which are not appearing in this document (bid) will be as per The General Condition of Supply and Erection 2009 of AEGCL. The General Condition of Supply and Erection 2009 of AEGCL is available in the AEGCL's website www.aegcl.co.in under Acts, Rules and Policies Tab.

ANNEXURE: I

Following information is to be furnished in the 'Technical and Commercial bid' as first page.

(Please tick mark where necessary.)

1)	Earnest money (EMD)	:Submitted/Not submitted
	a) Amount of EMD	:Rs.
	b) Submitted in the form of	
	Bank Guarantee /Demand Draft	: Yes/No.
2)	Validity of the offer	: days from the date of opening of 'Technical & Commercial Bid' & 'Price bid'.
3)	Nature of price offered	
	i) 'FIRM' Price	: Yes/No
4)	Terms of payment (Whether agreeable to accept payment as specified in clause- 40)	: Yes/No
5)	Date of completion of supply (Please specify the date of completion of supply/Erection as per specification)	: Yes/No
6)	'Security and performance guarantee' (Whether agreeable to accept as specified in Clause no-40&42)	: Yes/No
7)	List of orders executed for similar works furnished	: Yes/No
8)	Performance certificate from the Govt/Govt undertaking furnished	: Yes/No
9)	Deviation from the specifications	
	a) Technical	: Yes/No
	b) Commercial	: Yes/No
10)	Information in respect of technical capability is furnished	: Yes/No
11)	Information in respect of Financial capability certificate from the Banker is furnished	: Yes/No
13)	PAN card as per Cl. No. 16.2	: Yes/No
14)	GST registration no. as per Cl. No. 16.5	: Yes/No
15)	Registered Power of Attorney as per Cl.no. 16.6 enclosed.	: Yes/No
