Corrigendum-I

BID IDENTIFICATION NO: AEGCL/MD/Tech-972/Deposit/RITES/BaseFile/2021/BID

The following points may be noted for the work namely “**Preliminary Survey, Route Alignment and Detailed Survey for Construction of 132 KV Transmission Line from Lanka TSS to Hatikhali TSS of Railway along the track route including survey regarding construction of 132kV Bus system at the Traction Sub-station, Lanka**” against Bid Identification No. mentioned above –

Clarification:

i) **Tender Fee:** It is clarified that the tender fee payable for participation in the bidding process shall be **₹500/- (Rupees Five Hundred only)** to be paid online through the Assam e-tendering portal.

ii) **Contouring in hilly / undulated locations:** Contouring work in hilly or undulated locations, as specified in the tender document, shall be treated as **part of the overall scope of work**. The bidders are advised to include the cost of such activities in their quoted rates.

iii) **Field investigation for soil / boreholes:** Soil investigation, as specified in the tender document, shall be treated as part of the overall scope of work. Boreholes shall be carried out at an average spacing of approximately 1 km along the route. The number and depth of boreholes required for the substation shall be decided based on-site conditions. The bidders are advised to include the cost of such activities in their quoted rates.

All other terms and conditions of the bidding document remain same.
